| 2331 | Watchung Spring Water Co., Inc.           | Meeting Refreshment - Spring<br>Water Acct # 127214                       | \$ (86.87)     |   |
|      |                                           | TOTAL:                                                                    | \$ (23,613.02) |   |
|      |                                           |                                                                           |                |   |
|      | Checks released previous to this meeting: |                                                                           | \$ 16,594.15   |   |
|      | Checks this bill list                     |                                                                           | \$ 7,018.87    |   |

It was clarified that there were checks executed and released without benefit of 'formal' meeting approval that were considered contractual or were considered regular monthly bills and obligations of the LIC. Funds to cover these checks were transferred appropriately. The above-marked (X) checks were pre-released upon approval by the Chairman due to the fact that no meetings of the LIC took place in July and August of 2008.

## Katz/Golub – Motion to accept the Bill List as presented:

On Roll Call:

The Executive Director was absent from this meeting. Anita Doyle provided a verbal update using the Executive Director's memorandum to the Township Committee (as reference) regarding the status of Lakewood' Foreign Trade Zone (#235) and the current activity.

# LEGISLATIVE CONSULTING SERVICES REPORT:

Andrew Sinclair of PPAG was present at the meeting and provided a verbal update on issues of interest to the Lakewood Industrial Commission / Lakewood Township. A written report is to follow.

- The "log jam" with CAFRA has been broken; Senator Singer having been instrumental in the forward movement toward resolution to Lakewood's issues involving CAFRA;
  - o T& M is reworking the plans but there are no granular details of the Plan available to
  - Senator Singer is pleased with the concepts put together and the momentum gained at the DEP;
  - o November 2008 critical plans are slated to be submitted in October with a decision anticipated to be rendered in November; many changes have happened within the past two weeks.
  - o T&M is finalizing the plans at this time.
- 'Red Light' Program Pilot
  - o Implementation of this program is being discussed at this time;
  - o If implemented, would being large revenues to the Township of Lakewood.

#### **Questions/Comment:**

**72** Mr. Albert: Are they (DEP) making us a "Town Center" designation again? **73** Mr. Sinclair: The desire for "Town Center" designation precipitated this process

74 Mr. Golub-Has the (CAFRA-regulated) impervious coverage formula changed? (back at

80% impervious?)

**76** November.... 'decision'? Mr Flanchaum-

**77** Mr. Sinclair-We will have an idea of what the outcome will be (in November). **78** Mr Golub-

MOM rail line – would like the LIC to take it on as a project.

**79** Mr Sinclair -Middlesex County, Jamesburg, South Brunswick are the stumbling blocks

regarding the movement of MOM line for train service. Regarding the overall funding scheme, the Transportation Trust Fund is considered 'bankrupt/oversubscribed' as is Green Acres. It was calculated and discussed that we need a 40 cents per gallon gas tax to keep programs moving at current

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | levels. Parkway/Turnpike is considering toll hikes currently.
